

Verity Fairy

Spread cards randomly over the playing surface, face down, until none overlap. Players take it in turn to pick two cards of their choosing. If the cards have the same image (for example, 2 Verity's) the player keeps the pair and plays again. If the images don't match place the cards facing down.

Verity Fairy

Verity and Celeste decided to have an afternoon of painting each other to show off their artistic skills. Let's see your skills! Copy the image of Verity and Celeste on the larger grid below then colour it in and make magical!
